

## ALTIER NAMED AMONG TOP CREDIT UNIONS STATEWIDE

**TEMPE, Ariz. (March 25, 2008)** – Altier Credit Union (formerly SRP Credit Union) is pleased to announce their ranking as one of the top credit unions in Arizona. *Ranking Arizona*, published annually by *Arizona Business Magazine*, named Altier among the top 5 credit unions in the state. The ranking is based solely on input from the public.

“We are absolutely thrilled to be included with such a distinguished group of local credit unions,” said Harry Mateer, CEO of Altier Credit Union. “We do our best to make sure that we provide programs and services that matter to our members – this ranking certainly shows that we’re on the right track.”

Altier recently replaced their Superstition Springs Branch with a new location in Mesa on 6846 E. Warner Road on the Northeast corner of Power and Warner roads. This new Gateway Branch features a two-lane drive-thru, drive-up ATM, 24/7 secured walk-up ATM, and increased lobby-space to accommodate the organization’s growing Southeast Valley membership. The branch provides financial services including no-fee checking and savings accounts with no minimum balance, certificates of deposit, first mortgages, vehicle loans, home equity lines of credit, retirement, education loans, VISA debit, credit and ATM cards and more.

### **About Altier Credit Union**

Altier Credit Union was founded in 1947. With assets of \$190 million, their 80 employees serve the needs of its 26,000 members. In addition to the Altier Credit Union headquarters building in Tempe, there are branches in Mesa, Tolleson, Page and St. Johns, Arizona. As a member-owned credit union, Altier Credit Union offers insured savings at competitive rates, affordable loans, checking and electronic services, as well as other financial services. It also offers on-line banking, e-statements, automatic bill pay and telephone access 24 hours a day, seven days a week. Altier Credit Union offers members free financial seminars and calculators to assist in future financial planning. For more information, visit [www.AltierCU.org](http://www.AltierCU.org).
